Dear Community Partner,

We invite you to partner with us in our 2024 Armed Forces Military Gala, supporting veterans aged 22-55 facing mental health challenges, including Post-Traumatic Stress Disorder (PTSD), Traumatic Brain Injuries (TBI), Depression, Anxiety, and related issues.

The 2024 Armed Forces Military Gala is a beacon of hope for veterans seeking reintegration into society. This exclusive event focuses on providing specialized support and directly funds programs addressing veterans' unique mental health challenges.

Please review the sponsorship package and silent auction form for detailed information on how you can support our mission. Your support will not only contribute to the gala's success but will also make a lasting impact on the lives of our veterans. There will be 350 guests in attendance, including our board, corporate partners, and the surrounding community.

Thank you for considering this meaningful partnership. Together, let's make a difference in the lives of our heroes.
